

**Homework: Self-Guided Review (Due Monday)**  
**NoRedInk: SVA 5/1-5/8 EC**

**Do Now:**

- Look through the Self-Guided Review. For each question, rate its difficulty on a scale of 1-3:
  - 1 = I know the correct answer immediately
  - 2 = I need to think about this, but I can answer it correctly without resources
  - 3 = I need to use my resources to answer this correctly
- Highlight every question that you put a "3" next to.

**Work Time**

- You have the next 15 minutes to work on the Self-Guided Review.
